But when you think about it, keeping an old-fashioned address book is still very practical. In case you lose your smartphone, you'd still have a backup of all your contacts' information. Also, some people believe that keeping an address book is a lot simpler. Address books are a lot cheaper than smartphones and devices.

Microsoft address book templates can help. With an address book template, you can create a single contact list for everyone in your circle. They're great for clubs, too—download a membership directory template as your main email list. An address template can provide room for mobile and land lines, birthdays, even notes.
