"Apartheid's legacy lies at the heart of Patrick Flanery's exceptional debut novel Absolution, which explores how the traumas of apartheid linger in South African society and asks difficult and often troubling questions about the relationship between power and truth. Absolution deliberately refuses the consolations of resolution.

**Absolution — Patrick Flanery**

"Patrick Flanery is an extraordinary new writer and Absolution shines a light on contemporary South Africa and the long shadow of apartheid, the elusive nature of truth and self-perception, and the mysterious alchemy of the creative process. Absolution is a debut of great strength and power."—GO (UK) "Compelling . . .

**Amazon.com: Absolution (9781594486579): Flanery, Patrick —**

Patrick Flanery's debut novel is a very interesting example of an overarching story that incorporates another "novel" or "memoir", a journal and more embedded inside it... Set in post-apartheid South Africa Absolution is a thought provoking book, and engaging not necessarily, or least of all, in the sense one would initially expect. Much of the novel could be set in any other country that lived through two opposing government systems.

**Absolution by Patrick Flanery — Goodreads**

"Patrick Flanery is an extraordinary new writer and Absolution shines a light on contemporary South Africa and the long shadow of apartheid, the elusive nature of truth and self-perception, and the mysterious alchemy of the creative process. **Amazon.com: Absolution (9781594488177): Flanery, Patrick —**

Patrick Flanery is an extraordinary new writer. Absolution is smart, moving and provocative, a rare combination of page-turner and literary triumph. More than a book about South Africa, this is a book about the hunt for the truth, a hunt that is as universal as it is essential.

**Absolution by Patrick Flanery, Paperback | Barnes & Noble®**

ISBN 9781594488177. Patrick Flanery's first novel, Absolution, captures the complicated philosophies and mores of the educated and liberal occupants (in addition to a spectrum of others) of post-apartheid South Africa. The novel offers a view of the turbulent past to illuminate the present, using personal histories to shape narrative.
