'Let's talk second edition' is a revised edition of let's talk, the speaking and listening course that takes students from a high-beginning to a high-intermediate level. Like the first edition, this three-level course in American English is designed to develop oral communication skills and increase fluency.

Unique twists on topics draw students into conversations, and engaging activities guarantee maximum talking time.

Features of the new edition include more systematic presentation and recycling of structures and vocabulary, increased focus on communication activities, and Expansion review sections every four units. The expanded Self-study section includes grammar, listening, and vocabulary practice, offering students additional opportunities for review and consolidation. Grammar paradigms and listening texts are

program including quizzes and tests. The Audio CD packaged with the Teacher's Manual provides all the listening sections for the assessment program.

Active Listening, Second Edition, is grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic. Teacher's Manual 2 contains step-by-step practical teaching notes, optional speaking activities and listening strategies, culture notes, and suggested times for completing lessons. Photocopiable unit quizzes, two complete tests with Audio CD, and complete answer keys are also included.

they activate their prior knowledge of a topic, the series gives students a frame of reference to make predictions about what they will hear. Through a careful balance of activities, students learn to listen for main ideas, to listen for details, and to listen and make inferences. Active Listening, Second Edition is intended for high-beginning to intermediate students. It can be used as a main text for listening classes or as a component in speaking or integrated skills classes.

Features of the Student's Book - A before-you-begin unit to develop awareness of listening strategies - Updated prelistening schema-building activities to build vocabulary - New listen-again activities for additional coverage of listening skills - Optional your-turn-to-talk pages that offer speaking and pronunciation practice - New culturally rich Expansion
