NCERT Textbooks play the most vital role in developing student's understanding and knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class X following the NCERT Textbook for Mathematics. The present book has been divided into 16 Chapters namely Sets, Relations & Functions, Mathematical Induction, Linear Inequalities, Conic Sections, Limits & Derivatives, Statistics, Probability, Mathematical Reasoning, Straight Lines, Conic Sections, Binomial Theorem, etc. covering the syllabi of Mathematics for Class XI. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Mathematics textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class XI Mathematics Examination. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Mathematics for Class XI and contains simplified text material in the form of class room notes and answers to all the questions in lucid language, it for sure will help the Class XI students in an effective way for Mathematics.

NCERT Solutions for Statistics can be downloaded from Bright Tutee for free. The NCERT () solutions cover all the exercises provided in the CBSE () class 10th Maths textbook. You can download these solutions on your mobile phone or laptop or whatever device you may have and take their print outs so you can refer them easily whenever you need them. Chapter 14 in class 10 Maths () is on Statistics and introduces students with Mean of Grouped Data, Mode Of Grouped Data, Median Of Grouped Data, and Graphical Representation Of Cumulative Frequency Distribution. At Bright Tutee, we endeavor to enable students to learn better and score more marks in their board exams. Chapter-wise NCERT Solutions for Statistics are one of our initiatives to empower class 10 students to get mastery over concepts and solve questions like a pro. With the help of our NCERT solutions, any student can get better in chapter Statistics and score more marks from this chapter. Here you will find all the solutions of your textbook questions. The good thing is that you do not need to pay us anything to access these solutions. All you need to do get these free NCERT solutions is click on the given links and you will get it all on your mobile phone or laptop. We also urge our students to try out our paid courses which are designed to help you fall in love with Mathematics and improve your overall performance by 30 to 40 percent.

This book is the solution of Mathematics (R.D. Sharma) class 10th (Publisher Dhanpat Rai). It includes solved & additional questions of all the chapters mentioned in the textbook and this edition is for 2021 Examinations. Recommended for only CBSE students.

NCERT Solutions for Circles can be downloaded from Bright Tutee for free. The NCERT () solutions cover all the exercises provided in the CBSE () class 10th Maths textbook. You can download these solutions on your mobile phone or laptop or whatever device you may have and take their print outs so you can refer them easily whenever you need them. Chapter 10 in class 10 Maths () is on Circles and introduces students with Tangent to a circle, Number of Tangents from a Point on a Circle. At Bright Tutee, we endeavor to enable students to learn better and score more marks in their board exams. Chapter-wise NCERT Solutions for Circles are one of our initiatives to empower class 10 students to get mastery over concepts and solve questions like a pro. With the help of our NCERT solutions, any student can get better in chapter Circles and score more marks from this chapter. Here you will find all the solutions of your textbook questions. Looking for NCERT () solutions for class 10th Mathematics (Ganit) chapter 3 - Pair of Linear Equations in Two Variables? You've reached the right place. Here, you can download the most updated chapter wise CBSE () NCERT solutions on your device including a smartphone and laptop. The solutions come to you in PDF formats and help you get over the fear of Maths. In these solutions, our teachers explain the textbook questions in the most lucid manner possible. Your conceptual understanding gets better. Your confidence soars. And together these things help you to score more in your class 10th board exams. 'Pair of Linear Equations in Two Variables' is part of Algebra (). Algebra (Beejganit) in class 10th (Kaksha Das) carries 20 marks in the board exams. Polynomials introduce students to different topics including: • Pair of Linear Equations in Two Variables • Graphical Method of Solution of a Pair of Linear Equations • Algebraic Methods of Solving a Pair of Linear Equations • Equations Reducible to a Pair of Linear Equations in Two Variables You can download the PDFs of 'Linear Equations in Two Variables' for free. We do not charge you anything for these PDFs. Our goal is to help you with Maths, so you can study better and score more. And we do this by clearing your concepts and making your practice endlessly. To get more marks, you should also consider learning from our videos-based Maths course for class 10th, which strictly adheres to the latest syllabus () of CBSE board, and makes learning a world-class experience.

Bright Tutee's team of teachers has developed chapter-wise NCERT solutions for class 10th Mathematics chapter 2 - Polynomials. You can access these solutions on your device whether it's a smartphone or desktop. They are available in PDF formats. You do not have to pay us anything for this great study resource. These solutions or textbook questions will significantly help you prepare for your CBSE 10th board exams. In these chapter-wise NCERT solutions, you will get access to detailed and stepwise explanations of each and every question and answer given in the chapter. This will help you clear your concepts and improve your problem-solving ability. Polynomials introduce students to different topics including: • Geometrical Meaning of the Zeroes of a Polynomial • Relationship between Zeroes and Coefficients of a Polynomial • Division Algorithm for Polynomials Polynomials are part of Algebra. Algebra carries 20 marks in the class 10th Maths board exams. Practising with the help of NCERT solutions will help you understand the chapter and score more marks from this section of the textbook. Now, what are you waiting for? Score full marks in Polynomials with the help of our NCERT solutions for class 10 Mathematics. You can also consider purchasing our Maths video course which has been designed by our experienced Maths teacher.

NCERT Solutions for Areas Related to Circles can be downloaded from Bright Tutee for free. The NCERT () solutions cover all the exercises provided in the CBSE () class 10th Maths textbook. You can download these solutions on your mobile phone or laptop or whatever device you may have and take their print outs so you can refer them easily whenever you need them. Chapter 12 in class 10 Maths () is on Areas Related to Circles and introduces students with Perimeter and Area of a Circle - A Review, Areas of Sector and Segment of a Circle, and Areas of Combinations of Plane Figures. At Bright Tutee, we endeavor to enable students to learn better and score more marks in their board exams. Chapter-wise
