In his first ever children's book, singer David Archuleta conveys the profound love to be found in our personal relationships with God. Based on the lyrics of David's popular and moving song, My Little Prayer tells the story of a young boy who discovers that what God wants for him is even better than what he wanted for himself. Learn to trust, learn faith, and most of all, learn to pray in this beautifully woven tale of art, music, and faith.

The first woman to be nominated by a major party as a candidate for vice-president of the United States recounts how she made her way in a man's world of politics and discusses the campaign trail, her husband John Zaccaro, and other key issues.

Jennifer Knapp's meteoric rise in the Christian music industry ended abruptly when she walked away and came out publicly as a lesbian. This is her story—of coming to Christ, of building a career, of admitting who she is, and of how her faith remained strong through it all. At the top of her career in the Christian music industry, Jennifer Knapp quit. A few years later, she publicly revealed she is gay. A media frenzy ensued, and many of her former fans were angry with what they saw as turning her back on God. But through it all, she held on to the truth that had guided her from the beginning. In this memoir, she finally tells her story: of her troubled childhood, the love of music that pulled her through, her dramatic conversion to Christianity, her rise to stardom, her abrupt departure from Christian Contemporary Music, her years of trying to come to terms with her sexual orientation, and her return to music and Nashville in 2010, when she came out publicly for the first time. She also talks about the importance of her faith, and despite the many who claim she can no longer call herself a believer, she maintains that she is both gay and a Christian. Now an advocate for LGBT issues in the church, Jennifer has witnessed heartbreaking struggles as churches wrestle with issues of homosexuality and faith. This engrossing, inspiring memoir will help people understand her story and to believe in their own stories, whatever they may be.

A moving memoir exploring one family's legacy of African Americans with American Indian roots.

Discover country music star Sara Evans's inspirational story about her rise to stardom, her roundabout path to love, and how her faith brings daily joy no matter the circumstances. Sara Evans—a Billboard, ACM, and CMA Award-winning country music star who's been named one of People's "50 Most Beautiful People" and competed on ABC's Dancing with the Stars—has been inspiring fans throughout her successful music career. In this powerful, personal, and often humorous book, Sara opens up and shares stories from her career, describing what it's like living in the spotlight and how her faith keeps her strong. She writes about overcoming life's most challenging experiences, from a childhood accident that nearly took her life, to the loss she experienced when her parents divorced, and from her own painful and very public divorce, to finding incredible love when she least expected it with former pro quarterback-turned-sportscaster Jay Barker. Now, after over a decade of marriage, Sara and Jay's blended family of nine is thriving, filling her life with focus and meaning. As she weaves the narrative of her life, Sara candidly reveals the things that are most important to her and her family now, her favorite tips about staying true to herself and her faith, knowing when to ask for help, abandoning perfectionism, and the importance of a strong support group of friends and family. Fans old and new will enjoy this inspiring, heartfelt book.

I was born with half a heart. God made up the difference.

A brave, intimate, beautifully crafted memoir by a survivor of the tsunami that struck the Sri Lankan coast in 2004 and took her entire family. On December 26, Boxing Day, Sonali Deraniyagala, her English husband, her parents, her two young sons, and a close friend were ending Christmas vacation at the seaside resort of Yala on the south coast of Sri Lanka when a wave suddenly overtook them. She was only to learn later that this was a tsunami that devastated coastlines through Southeast Asia. When the water began to encroach closer to their hotel, they began to run, but in an instant, water engulfed them, Sonali was separated from her family, and all was lost. Sonali Deraniyagala has written an extraordinarily honest, utterly engrossing account of the surreal tragedy of a devastating event that all at once ended her life as she knew it and her journey since in search of understanding and redemption. It is also a remarkable portrait of a young family's life and what came before, with all the small moments and larger dreams that suddenly and irrevocably ended.

"Spend the day in bed" with Autobiography by Morrissey, whose new album Low in High School is out November 17th Steven Patrick Morrissey was born in Manchester on May 22nd 1959.
