DisneyWar by James B. Stewart
DISNEYWAR is mostly a chronicle of the snake pit culture that Eisner assiduously cultivated, and the consequences stemming from that. Lies, obfuscations, half-truths, and backstabbing were Eisner's preferred management tools. And these things came easily to almost everyone in Disney's executive suite. Eisner's

DisneyWar Summary. Thanks for exploring this SuperSummary Plot Summary of “DisneyWar” by James B. Stewart. A modern alternative to SparkNotes and CliffsNotes, SuperSummary offers high-quality study guides that feature detailed chapter summaries and analysis of major themes, characters, quotes, and essay topics.

When you wish upon a star’, ‘Whistle While You Work’, ‘The Happiest Place on Earth’ - these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Disney animation, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves throughout the world. DISNEYWAR is the dramatic inside story of what drove this iconic entertainment company to civil war, told by one of America’s most acclaimed journalists. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as hundreds of pages of never-before-seen letters and memos, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years. In riveting detail, Stewart also lays bare the creative process that lies at the heart of Disney. Even as the executive suite has been engulfed in turmoil, Disney has worked - and sometimes clashed - with a glittering array of Hollywood players, many of who tell their stories here for the first time.

Documents the fierce executive battle for control of the Walt Disney Company, in an account that discusses how Michael Eisner lost his chairmanship and how the conflict reflects modern-day American capitalism and popular culture.

The dramatic inside story of the downfall of Michael Eisner—Disney Chairman and CEO—and the scandals that drove America's best-known entertainment company to civil war. “When You Wish Upon a Star,” “Whistle While You Work,” “The Happiest Place on Earth”—these are lyrics indelibly linked to Disney, one of the most admired and best-known companies in the world. So when Roy Disney, chairman of Walt Disney Animation and nephew of founder Walt Disney, abruptly resigned in November 2003 and declared war on chairman and chief executive Michael Eisner, he sent shock waves through the entertainment industry, corporate boardrooms, theme parks, and living rooms around the world—everywhere Disney does business and its products are cherished. Drawing on unprecedented access to both Eisner and Roy Disney, current and former Disney executives and board members, as well as thousands of pages of never-before-seen letters, memos, transcripts, and other documents, James B. Stewart gets to the bottom of mysteries that have enveloped Disney for years: What really caused the rupture with studio chairman Jeffrey Katzenberg, a man who once regarded Eisner as a father but who became his fiercest rival? How could Eisner have so misjudged Michael Ovitz, a man who was not only “the most powerful man in Hollywood” but also his friend, whom he appointed as Disney president and immediately wanted to fire? What caused the break between Eisner and Pixar chairman Steve Jobs, and why did Pixar abruptly abandon its partnership with Disney? Why did Eisner so mistrust Roy Disney that he assigned Disney company executives to spy on him? How did Eisner control the Disney board for so long, and what really happened in the fateful board meeting in September 2004, when Eisner played his last cards? DisneyWar is an enthralling tale of one of America's most powerful media and entertainment companies, the people who control it, and those trying to overthrow them. It tells a story that—in its sudden twists, vivid, larger-than-life characters, and thrilling climax—might itself have been the subject of a Disney classic—except that it's all true.

A #1 bestseller from coast to coast, Den of Thieves tells the full story of the insider-trading scandal that nearly destroyed Wall Street, the men who pulled it off, and the chase that finally brought them to justice. Pulitzer Prize-winner James B. Stewart shows for the first time how four of the eighties’ biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine —created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. Based on secret grand jury transcripts, interviews, and actual trading records, and containing explosive new revelations about Michael Milken and Ivan Boesky written especially for this paperback edition, Den of Thieves weaves all the facts into an unforgettable narrative—a portrait of human nature, big business, and crime of unparalleled proportions.

During a time of unprecedented political, social, and cultural upheaval in U.S. history, one of the fiercest battles was ignited by a comic book. In 1963, the San Francisco Chronicle made 21-year-old Dan O'Neill the youngest syndicated cartoonist in American newspaper history. As O'Neill delved deeper into the emerging counterculture, his strip, Odd Bodkins, became stranger and stranger and more and more provocative, until the papers in the syndicate dropped it and the Chronicle let him go. The lesson that O'Neill drew from this was that what America most needed was the destruction of Walt Disney. O'Neill assembled a band of rogue cartoonists called the Air Pirates (after a group of villains who had bearded Mickey Mouse in comic books and cartoons). They lived communally in a San Francisco warehouse owned by Francis Ford Coppola and put out a comic book, Air Pirates Funnies, that featured Disney characters participating in very un-Disneylike behavior, provoking a mammoth lawsuit for copyright and trademark infringements and hundreds of thousands of dollars in damages. Disney was represented by one of San Francisco's top corporate law firms and the Pirates by the cream of the counterculture bar. The lawsuit raged for 10 years, from the trial court to the US Supreme Court and back again.

" ... a critical account of how the Disney Co. has used--and also abused--its governmental immunities from the beginning of Disney World to the present ..."--Jacket.

Celebrated scientists Nicholas Christakis and James Fowler explain the amazing power of social networks and our profound influence on one another's lives. Your colleague's husband's sister can make you fat, even if you don't know her. A happy neighbor has more impact on your happiness than a happy spouse. These startling revelations of how much we truly influence one another are revealed in the studies of Dr. Christakis and Fowler, which have repeatedly made front-page news nationwide. In Connected, the authors explain why emotions are contagious, how health behaviors spread, why the rich get richer, even how we find and choose our partners. Intriguing and entertaining, Connected overturns the notion of the individual and provides a revolutionary paradigm that social networks influence our ideas, emotions, health, relationships, behavior, politics, and much more. It will change the way we think about every aspect of our lives.

In 1997, Charles Frazier's debut novel Cold Mountain made publishing history when it sailed to the top of The New York Times best-seller list for sixty-one weeks, won numerous literary awards, including the National Book Award, and went on to sell over three million copies. Now, the beloved American epic returns, reissued by Grove Press to coincide with the publication of Frazier's eagerly-anticipated second novel, Thirteen Moons. Sorely wounded and fatally disillusioned in the fighting at Petersburg, a Confederate soldier named Inman decides to walk back to his home in the Blue Ridge mountains to Ada, the woman he loves. His trek across the disintegrating South brings him into intimate and sometimes lethal converse with slaves and marauders, bounty hunters and witches, both helpful and malign. At the same time, the intrepid Ada is trying to revive her father's derelict farm and learning to survive in a world where the old certainties have been swept away. As it interweaves their stories, Cold Mountain asserts itself as an authentic odyssey, hugely powerful, majestically lovely, and keenly moving.

“The definitive history of the studio” created by the larger-than-life team of Spielberg, Geffen, and Katzenberg (Los Angeles Times). For sixty years, since the birth of United Artists, the studio landscape was unchanged. Then came Hollywood’s Circus Maximus—created by director Steven Spielberg, billionaire David Geffen, and Jeffrey Katzenberg, who gave the world The Lion King—an entertainment empire called DreamWorks. Now Nicole LaPorte, who covered the company for Variety, goes behind the hype to reveal for the first time the delicious truth of what happened. Readers will feel they are part of the creative calamities of moviemaking as LaPorte’s fly-on-the-wall detail shows us Hollywood’s bizarre rules of business. We see the clashes between the often-otherworldly Spielberg’s troops and Katzenberg’s warriors, the debacles and disasters, but also the Oscar-winning triumphs, including Saving Private Ryan. We watch as the studio burns through billions of dollars, its rich owners get richer, and everybody else suffers. LaPorte displays Geffen, seducing investors like Microsoft’s Paul Allen, showing his steel against CAA’s Michael Ovitz, and staging fireworks during negotiations with Paramount and Disney. Here is a blockbuster behind-the-scenes Hollywood story—up close, glamorous, and gritty.
