Praise for Hire the American Dream "I learned early on that Dave Melton had cracked the code (about hiring and retaining great people) in his Manhattan franchise. His employees, who are all immigrants to the United States, are extremely loyal and are committed to customer service." —From the Foreword by David A. Brandon, Chairman and CEO, Domino's Pizza, Inc. "This is a must-read book for anyone managing or interested in starting a business, especially in the role of a franchisee. It's loaded with keen insights and best practices for interviewing, hiring, and motivating employees in a very challenging business environment. Dave Melton's story is truly inspirational." —Jack Whipple, President, National Council of Chain Restaurants "Hire the American Dream provides valuable lessons from the trenches. The school of hard knocks has taught Dave Melton a lot. You'll benefit from his experiences—you'll learn about creating incentives, enhancing customer service, connecting on a personal level, giving feedback, and building world-class teams. Take his ideas and run with them. You'll build more successful teams." —Robert D. Reid, Dean, College of Business, James Madison University "Dave Melton shares his time-tested approach to creating restaurants that are brimming with energy. And it all begins with Dave's amazing passion for developing the future owners of Domino's Pizza stores. If you care this much about developing leaders, you and your business will be richly rewarded for years to come." —Cheryl Bachelder, CEO, AFC Enterprises, Inc. "Hire the American Dream really gets to the heart of selecting, training, motivating, and ultimately retaining a world-class team who will care as much about your business as you do and deliver exceptional customer service that can help any business grow." —Stuart Mathis, President, Mail Boxes Etc., Inc. "This book is filled with great commonsense approaches to customer service and leadership training with an easily understood message that every organization needs to hear. In these days when management thought is presented in complicated models, there is something refreshing about leadership principles taught by a guy who simply loves to make pizza. This book is for everyone who wants to be a better leader." —Marshall Cook, Executive Producer, Multi Image Group

defending and perhaps losing a costly claim by an employee. If you are an employer it can help you obtain your employment rights and eliminate the stress of not knowing where you stand. Because it explains what your obligations are as an employer, and what your rights are as an employee. Wide Range of Topics Covered Topics such as unfair dismissal, redundancy, the employment contract, health and safety, what policies and procedures should be in place in the workplace, equality and discrimination, holiday entitlements, part time and fixed term workers' rights, rest periods and breaks, data protection, TUPE (transfer of undertakings) regulations, temporary agency workers, young persons in work, performance improvement plans disciplinary procedure-step by step NERA and how they operate, intoxicants in the workplace, maternity leave, other leave entitlements, payment of wages, and more are explained in easy to understand language. Employers are understandably worried about costly claims for unfair dismissal, wrongful dismissal, discrimination, unfair selection for redundancy. This book helps avoid such claims by explaining the correct steps to take to prevent claims and what the employers' obligations are. Many employees too are unsure about their employment rights and are badly treated in the workplace. They have experienced the sick feeling in the pit of their stomach going into work everyday and not knowing whether there is anything that they can do about their treatment. This book aims to give peace of mind and reduce stress for both employers and employees. It also explains the essential terms that should be included in the employment contract and why 80% of cases for unfair dismissal are lost. And it is written by a practicing solicitor who has been an employer in Ireland since 1986. Written in Understandable Language If you are looking for a text book on employment law in Ireland, this is not for you. This is not an academic work. If you are looking for a straightforward reference guide to refer to on a daily basis in the workplace, this book should suit you just fine. Other Topics Other topics covered include the forums for redress of your employment rights, working time, internships in the workplace and what can go wrong, fixed term contracts, contracts of indefinite duration, employment permits, staff handbooks, the most important policies and procedures to have, without prejudice negotiations, temporary agency workers, etc. If this book helps you as employer avoid one claim or if it helps you uphold just one of your employment rights it will have proven to be one of the best investments you have made this year. Written by a Solicitor Terry Gorry is a solicitor, small business owner and has been an employer in Ireland since 1986. He helps other small business owners and their employees.

This textbook introduces students to the strategic communication methods that are crucial to master in order to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world, and O' Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This edition includes several classic and new features: The strategic approach is integrated throughout the book, allowing students to understand how a communicated message impacts the business as a whole. Case studies throughout the book provide students with hands-on experience of scenarios they will encounter in the real world. The book includes at least three dozen fresh, classroom-tested cases. An ethical thread is woven through the text, demonstrating how ethical decision making can be applied in all aspects of communication. Separate chapters on technology (including social media), intercultural communication, nonverbal communication and conflict management provide students with the skills to building relationships and influencing stakeholders; key skills for any manager. A companion website includes comprehensive support material to teach this class, making Management Communication a complete resource for students and instructors.

This text offers a comprehensive, accessible, engaging introduction to the legal environment of business with a unique, integrated focus on ethical theory and decision-making and on the global context in which modern businesses operate. Using realistic hypotheticals and scenarios, the authors illustrate and illuminate as they help students prepare to meet the often thorny challenges they will face in today's rapidly changing world of business. Features: Comprehensive coverage of the legal environment of business, from Business Organizations to Liability Uniquely integrated conceptual and thematic emphasis on the ethical theory underlying legal decisions, the global context of business decisions and operations, and issues of sustainability and corporate responsibility Excellent hypotheticals, case and statutory treatments, ethics integration, and global perspectives presented in interesting, accessible prose and formats Focus on AACSB Accreditation Standards, notably those relating to ethics education and social and ethical responsibility

The sixth edition of Security and Loss Prevention continues the tradition of providing introductory and advanced coverage of the body of knowledge of the security profession. To bridge theory to practice is the book's backbone, and Philip Purpura continues this strong effort with new sidebars and text boxes presenting actual security challenges from real-life situations. Globally recognized and on the ASIS International Certified Protection Professional reading list, the sixth edition of Security and Loss Prevention enhances its position in the market as a comprehensive, interdisciplinary, and up-to-date treatment of the area, connecting the public and private sector and the worlds of physical security and technological security. Purpura once again demonstrates why students and professionals alike rely on this best-selling text as a timely, reliable resource encompassing the breadth and depth of considerations involved when implementing general loss prevention concepts and security programs within an organization. New focus on recent technologies like social networks, digital evidence warrants, and advances in CCTV, and how those apply to security and loss prevention. Incorporates changes in laws, presents various strategies of asset protection, and covers the ever-evolving technology of security and loss prevention. Utilizes end-of-chapter case problems that take the chapters' content and relate it to real security situations and issues, offering various perspectives on contemporary security challenges. Includes student study questions and an accompanying Instructor's manual with lecture slides, lesson plans, and an instructor test bank for each chapter.

Designed for a one-semester course that covers the major aspects of law, the highly teachable Contemporary Employment Law explores the legal essentials of managing a modern workforce. The text identifies the differences between employees and independent contractors, then proceeds through the phases of hiring, promotion, and termination of employment. Modern employment issues covered include selecting employees; whistleblowing; immigration and nationality; covenants not to compete; confidentiality and trade secret agreements; current laws and regulations on pay, disability, and age discrimination; work-family conflicts; privacy; wage and hour laws; worker safety; and global employment. Each chapter features learning objectives, well-edited landmark cases followed by questions, abundant examples, management applications, "Focus on Ethics," Human Resource forms, and more. Students will learn to frame the issues that managers must identify in the workplace. The companion website offers online student support with resources, forms, quizzes, additional assignments, and extracts of pertinent statutes. The presentation has been streamlined, to make the Second Edition even more readable and accessible, thoroughly explaining basic concepts before moving to more complex material. More short cases and practice forms help students learn. New U.S. Supreme Court cases are briefed, including: AT&T Mobility LLC v. Concepcion (effect of the Federal Arbitration Act preemption of state laws restricting arbitration of employment claims), Wal-Mart Stores, Inc. v. Dukes (class action certification denied), Thompson v. North American Stainless, LP (third party retaliation claims against employers), Staub v. Proctor Hosp. (employer liable if non-decision maker with discriminatory bias influenced actions of unbiased decision maker), Duryea v. Guarnieri (employees right to exercise First Amendment rights), Kasten v. Saint-Gobain Performance Plastics Corp. (employee's oral complaint about FLSA violation has filed a claim), Christopher v. SmithKline Beecham

(whether pharmaceutical salespeople are exempt under the FLSA), and Perich v Hosanna (rights of ministers against their churches). More than twenty new state and federal cases are covered, including Rainey v. Domino's Pizza (franchisor's liability for accident caused by franchisee's delivery person), Does I-XI, Workers in China, Bangladesh, etc. v. Wal-mart Stores, Inc.
