During 1991-1997, LeROI was privately owned as LeROI International. In 1997, LeROI Compressors was purchased by the Invensys Corporation, a British company, and went to market as CompAir. In 2000, the global air rotary screw compressor production moved to Europe. In 2005, the gas compressor business was sold to a small group of local Ohio investors.

The best time to rebuild your compressor air end is before it fails. The life of the air-end depends on LeRoi's manufacturing, the environment the compressor runs in, the maintenance program that has been used on the compressor, the type of oil the compressor uses, and the way that the compressor is used.
