Stanford Solomon has a shocking, thirty-year-old secret. And it ' s about to change the lives of everyone around him. Stanford Solomon is actually Abel Paisley, a man who faked his own death and stole the identity of his best friend. And now, nearing the end of his life, Stanford is about to meet his firstborn daughter, Irene Paisley, a home health aide who has unwittingly shown up for her first day of work to tend to the father she thought was dead. These Ghosts Are Family revolves around the consequences of Abel ' s decision and tells the story of the Paisley family from colonial Jamaica to present day Harlem. There is Vera, whose widowhood forced her into the role of single mother. There are two daughters and a granddaughter who have never known they are related. And there are others, like the house boy who loved Vera, whose lives might have taken different courses if not for Abel Paisley ' s actions. These Ghosts Are Family explores the ways each character wrestles with their ghosts and struggles to forge independent identities outside of the family and their trauma. The result is an engrossing portrait of a family and individuals caught in the sweep of history, slavery, migration, and the more personal dramas of infidelity, lost love, and regret. This electric and luminous family saga announces the arrival of a new American talent.

Books 1 - 4 in the wildly successful (and swoon-inducing) Academy Ghost Bird Series, together for the first time at a low price. This bundle includes an exclusive that fans have been begging for: Meeting Sang, an alternate POV story of how it all began. Introductions—Book 1 With an agoraphobic mother and a barely-there father, Sang Sorenson abhors the isolation keeping her in the shadows. What she craves is a fresh start and to be accepted as ordinary, because for her, being different meant being cast out alone. When her family moves to a new school district, Sang infiltrates a group of boys, each nearly perfect in every way. Grateful for an influence outside of her parents' negativity, she quickly bonds with the boys, hoping to blend in and learn from them what it means to have friends. Only the boys have secrets of their own and they'll do anything to keep her safe from the knowledge of the mysterious Academy they've sworn allegiance to. Bit by bit, Sang discovers her friends are far from what she'd expected. Will her loyalty change when she's forced to remain in the dark, or will she accept that she's traded one house of secrets for another? Meet Kota, Victor, Silas, Nathan, Gabriel, Luke and North in a story about differences and loyalty, truth and mystery, friendships and heart-throbbing intimacy. The Academy, ever vigilant. First Days—Book 2 As a new student to Ashley Waters High School, Sang Sorenson hopes her new friends will be the change she's been craving and will make fitting in a breeze. But Academy students aren't there to take it easy at the overcrowded school rife with violence. When fights begin, Sang will uncover the true reason the boys traded in their private school lives for public ones. This year, Sang will no longer be invisible. This year, Sang is a target. The principal and vice principal are hot to take Sang down, and her own mother is determined to entrap Sang forever in her belief that the safest place to be is in the shadows. Despite this, Nathan, Luke, Kota, North, Silas, Victor, and Gabriel will discover Sang's unyielding loyalty. And they will sorely need it. The Academy, supremely influential.
