A cordial goodbye to you. For example, Thanks for the order, have a nice day, or See you next week-have a good day, or The car's ready for you-have a good one. These expressions have become synonymous with a polite farewell. The first originated about 1920 but, like the variants, became widespread only after 1950.

Anna Bloom has just come home from a three-week stay in a mental hospital. She feels...okay. It's time to get back to some sort of normal life, whatever that means. She has to go back to school, where teachers and friends are dying to know what happened to her, but are too afraid to ask. And Anna is dying to know what's going on back at the hospital with her crush, Justin, but is too afraid to ask. Meanwhile, Anna's parents aren't getting along, and she wonders if she's the cause of her family's troubles.

Anna Bloom is depressed -- so depressed that her parents have committed her to a mental hospital with a bunch of other messed-up teens. Here she meets a roommate with a secret (and a plastic baby), a doctor who focuses way too much on her weight, and a cute, shy boy who just might like her. But wait! Being trapped in a loony bin isn't supposed to be about making friends, losing weight, and having a crush, is it? *Get Well Soon*, Julie Halpern's fiction debut, finds humor in the unlikeliest of places, and presents a character whose voice -- and heart -- will resonate with all of us who have ever felt just a little bit crazy.

Anna is less than thrilled to be shipped off to boarding school in Paris, leaving a fledgling romance behind – until she meets Étienne St. Clair. Smart, charming, beautiful, Étienne has it all...including a girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with a longed-for French kiss? "Magical...really captures the feeling of being in love" - Cassandra Clare, author of *The Mortal Instruments* series NPR's Year's Best Teen Reads, 2010. NPR's 100 Best-Ever Teen Novels, Number 53. Cybils Award Finalist for Young Adult Fiction, 2011. YALSA's Best Fiction for Young Adults. 2012 list YALSA's Popular Paperbacks for Young Adults: *Forbidden Romance*, 2012. Violet's in her element - cosplay at the ready, she can't wait to feel part of her favourite fandom: 'The Gallows Dance', a mega book and movie franchise. But when a freak accident transports her into the story for real, can Violet play out the plot the way it was written?

The gift of a lifetime? Anna Browne is an ordinary woman living an ordinary life. Her day job as a receptionist in bustling London isn't exactly her dream, yet she has everything she wants. But someone thinks Anna Browne deserves more . . . When a parcel addressed to Anna Browne arrives, she has no idea who has sent it. Inside she finds a beautiful gift - one that is designed to be seen. And so begins a series of incredible deliveries, each one bringing Anna further out of the shadows and encouraging her to become the woman she was destined to be. As Anna grows in confidence, others begin to notice her - and her life starts to change. But who is sending the mysterious gifts, and why? *A Parcel For Anna Browne* is an utterly captivating novel by Sunday Times bestselling author Miranda Dickinson.

Anna's whole life is turned completely upside down in one afternoon. A year later, with a young daughter, she feels as if there is nothing in her life that can help her pick up the pieces. Joshua, an old friend of Anna's, steps back into the picture after a long absence, and helps her to see that life is not maybe as dark as it once was. As they rekindle a friendship that they both had thought was long gone, they begin to relive the history of their lives together, including what caused the shift in their relationship. Joshua reveals something about his past that greatly troubles and surprises Anna, and causes her to withdraw. Will she ever be able to face what he has told her, or will she have to end their relationship so soon after they rediscovered it? A standalone short story, with no cliff-hangers.

A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly ' s little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven ' s best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia " Count " Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn ' t, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, Anna K: A Love Story is a brilliant reimagining of Leo Tolstoy's timeless love story, Anna Karenina—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.

Sex and the City meets Catch Me if You Can in the astonishing true story of Anna Delvey, a young con artist posing as a German heiress in New York City—as told by the former Vanity Fair photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Vanity Fair photo editor Rachel DeLoache Williams ' s new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at Le Coucou, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna ' s credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she ' d been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city ' s most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, My Friend Anna is an unforgettable true story of money, power, greed, and female friendship.

Someone is killing young brides. When Gray Ballard has the bad luck to be in the vicinity of the crime and finds the first one. She is nude, on her back, with a small caliber bullet wound to the left side of her chest. Her clothes are neatly folded and stacked on a chair nearby. Forced into retirement from his career as a homicide detective in the state's capital by a job-related injury, Gray has come home to Mount Union, Pennsylvania, finished with detective work. Even when Chief of Police Richard Hogan makes him the lead suspect in the first murder, Gray is determined not to get involved in the case. For one thing, he is too busy trying to win the favorable attention of Anna Vaughn, owner of the local weekly newspaper. Anna has already been burned twice by matrimony and is leery of any relationship with any man--including friendship. And for another, Gray finds even the thought of trying to work with Chief Richard Hogan repulsive. The nearly four hundred pound man could best be described as arrogant and incompetent and has been nicknamed "Bulk Hogan" by those whose misfortune it is to serve under him. But young brides continue to fall, and the police are baffled. Who is killing these young women? Why were these particular women targeted? How many more will die before they get a break in the case and the killer is stopped? And is it Chance, Fate or Gray's uncanny powers of observation that keep putting clues in his line of vision? Like it or not, his input is crucial in solving the case, and he is in it right up until the killer is caught.

Isaac is a teenager living in a beautiful place called Charlottesville with his older sister, Gwyn, and his mother, Sophia. He is an introverted person, who is very reserved when it comes to everyone, but he's looking for the one to show who he really is. Like everyone else, he experiences what it is like to lose the one he thought was the love of his life, not knowing that it was a lesson in life and that it was redirecting him down the correct path. Anna is new to Charlottesville. She recently moved there from England with her father. With no friends or really any idea which direction her school is in, she and Isaac bump into each other, and just like that, they become friends, almost like they have known each their whole lives. And as time goes on, they become closer and closer, and along the way, they make new and interesting friends. Unfortunately, not everything is perfect in life. Horrible things happen. You can make enemies even if you are the nicest person, as many people out there just love conflict. Will Isaac and Anna live a beautiful life the way that they both dreamed of, along with new friends? Or will this dream of a beautiful life end up a nightmare, resulting in broken hearts? Only the strength of their love and the love of their families and friends will help them through the journey that we call life.
