Kennedy/Gioia family, Backpack Literature is a brief paperback version of the discipline's most popular introduction to literature anthology. Like its bigger, bestselling predecessors, Backpack Literature features the authors' collective poetic voice which brings personal warmth and a human perspective to the discussion of literature, adding to students' interest in the readings. New selections have been added including four new one-act plays to help "ease" students into the study of this genre. The new plays include two comedies-- David Ives's, Sure Thing and Jane Martin's Beauty--as well as Terrence McNally's poignant Andre's Mother and Edward Bok Lee's experimental drama El Santo Americano.

Introduction to the central concepts of narrative theory - concepts that will aid students in developing their competence not only in analysing and interpreting short stories and novels, but also in writing them. This textbook prioritises clarity over intricacy of theory, equipping its readers with the necessary tools to embark on further study of literature, literary theory and creative writing. Building on a 'semiotic model of narrative,' it is structured around the key elements of narratological theory, with chapters on plot, setting, characterisation, and narration, as well as on language and theme - elements which are underrepresented in existing textbooks on narrative

theory. The chapter on language constitutes essential reading for those students unfamiliar with rhetoric, while the chapter on theme draws together significant perspectives from contemporary critical theory (including feminism and postcolonialism). This textbook is engaging and easily navigable, with key concepts highlighted and clearly explained, both in the text and in a full glossary located at the end of the book. Throughout the textbook the reader is aided by diagrams, images, quotes from prominent theorists, and instructive examples from classical and popular short stories and novels (such as Jane Austen's *Pride and Prejudice*, Franz Kafka's 'The Metamorphosis,' J. K. Rowling's *Harry Potter*, or

Dostoyevsky's *The Brothers Karamazov*, amongst many others). *Prose Fiction: An Introduction to the Semiotics of Narrative* can either be incorporated as the main textbook into a wider syllabus on narrative theory and creative writing, or it can be used as a supplementary reference book for readers interested in narrative fiction. The textbook is a must-read for beginning students of narratology, especially those with no or limited prior experience in this area. It is of especial relevance to English and Humanities major students in Asia, for whom it was conceived and written.

fresh new design. New students of fiction.

An enriching introduction to the diverse and exciting world of literature, this anthology offers a broad collection of short fiction, poetry, drama and nonfiction selections written by a diverse group of writers who represent different social classes, races, genders, cultures, and sexual orientations. Organizes selections around five socially relevant themes—Growing Up and Growing Older; Women and Men; Money and Work; Peace and War; and Varieties of Protest. Shows how literary technique serves larger purposes—the recreation of experience, the exploration of ideas, the analysis of social issues—and

How these larger purposes themselves shape literary form. Explains the ways in which literary form creates meaning, and provides a strong emphasis on writing about literature throughout, with a full chapter on all stages of the writing process —generating ideas, developing a thesis, discovering a form, drafting, revising, and editing—plus numerous excerpts from sample papers and journals. Now contains 42 new works, with more by Native American and Latino/Latina writers, as well as Bertolt Brecht's play *Mother Courage* and Shakespeare's *Othello*; also includes 18 works of nonfiction prose that have been chosen both for their literary technique as well as for their exploration of the five major themes.

Russia has a rich, huge, unwieldy cultural tradition. How to grasp it? This classroom reader is designed to respond to that problem. The literary works selected for inclusion in this anthology introduce the core cultural and historic themes of Russia's civilisation. Each text has resonance throughout the arts - in Rublev's icons, Meyerhold's theatre, Mousorgsky's operas, Prokofiev's symphonies, Fokine's choreography and Kandinsky's paintings. This material is supported by introductions, helpful annotations and bibliographies of resources in all
