On ne le sait pas en France, ou on ne le dit pas, mais Georges Moustaki est aujourd'hui le chanteur français vivant le

plus connu à l'étranger. On le croit à la retraite ou au soleil, il n'arrête pas de chanter, du Japon à l'Espagne, de l'Allemagne à l'Égypte, du Canada à la Russie. Il n'arrête pas non plus de composer, d'enregistrer, mais aussi de peindre, d'écrire, d'apprendre des langues ou des instruments de musique. Moustaki

C'est Milord, dont Edith Piaf a fait un succès, Sarali que Serge Reggiani détaillait comme une petite pièce de théâtre et, bien sûr, Le Métèque qui le rendit célèbre. C'est aussi Ma liberté, Votre fille a vingt ans, Ma solitude, Le Facteur, Joseph..., des dizaines de chansons qui sont autant de standards.

Louis-Jean Calvet est remonté aux origines, à cette ville mythique d'Alexandrie où Moustaki est né, pour suivre ensuite les fils des influences, des amitiés, des rencontres : le cours d'une vie. Mais ce livre est plus qu'une biographie : il analyse l'œuvre, les musiques, il fait parler les témoins (dont le principal intéressé), il

est à l'écoute des hésitations, des choix de vie, des engagements... On avait jusqu'ici publié quelques souvenirs, parfois romancés, de l'auteur du Métèque ; voici sa première biographie, vivante, éclairante, faite de sympathie qui n'exclut pas le regard critique.

Hamilton Stark is a New Hampshire pipe fitter and the sole inhabitant of the house from which he evicted his own mother. He is the villain of five marriages and the

father of a daughter so obsessed that she has been writing a book about him for years. Hamilton Stark is a boor, a misanthrope, a handsome man: funny, passionately honest, and a good dancer. The narrator, a middle-aged writer, decides to write about Stark as a hero whose anger and solitude represent

passion and wisdom. At the same time that he tells Hamilton Stark's story, he describes the process of writing the novel and the complicated connections between truth and fiction. As Stark slips in and out of focus, maddeningly elusive and fascinatingly complex, this beguiling novel becomes at once a compelling

An exquisitely drawn exploration of three

lost souls' emotional terrain As night falls in the City of Belgium, three strangers in their late twenties—a most dangerous age—arrive at a popular restaurant. Jona is about to move away; he calls his wife, who's already settled in Berlin, before trying to make plans with friends for one last night on the town. No one

bites—they're all busy or maybe they just don't want to party—but he's determined to make this night something to remember. Victoria is lively and energetic, but surrounded by friends and family who are buzzkills, always worrying about what is best for her. Rodolphe glumly considers his own misery and then suddenly snaps

out of it, becoming the life of the party. The three careen through the city's nightlife spots and underbelly, getting ever deeper in the messiness of human existence as they chase pleasure—or at least a few distractions from their daily lives. Each has a series of misadventures that reveal them to be teetering on the edge of

despair, of destruction, of becoming the people they'll be for the rest of their lives. The City of Belgium occupies a place between lucid dream and tooth-grinding nightmare.
