Trouble has never looked so hot...Sue wants Ethan, and Chris wants Sue.Drawn to Ethan and intrigued by Chris, Susan Miller finds herself caught between identical twin brothers at her school. When both of them start wooing her at the same time, she only has to take her pick. Right? Wrong! Ethan is reluctant to kiss her, and Chris wants her for the completely wrong reasons.Nothing like his obliging and sweet brother, Chris Donovan has trouble written all over him. He changes girls like other guys change t-shirts, and the next trophy on his little list is Susan. That's the last thing she wants, yet she finds herself responding to all the goodnight texts and other cheeky messages Chris sends. The guy has a way of getting under her skin like no one ever has before.How long will it be until Susan falls for his smooth charm and gets herself into more trouble than she can possibly handle? And where does that leave Ethan?The Tease. I cleared my throat and called out, "Hey, Chris!"Folding his arms on the backrest of the chair he'd straddled by his friends, he cast me an intrigued and self-assured glance over his shoulder. I didn't give him the time to even think about the word "sweetness" leaving his mouth, but continued. "It takes a little more than a cute smile to get on my good side, and luckily your brother comes equipped with the whole package." I flashed a sardonic grin that hopefully stung his ego in front of his gang. "You want to freeze hell? Go ahead and try. It'll get you nowhere with me."For a stunned moment, Chris gazed at me. After all, he seemed to be someone after an easy lay and a jolly good time, nothing more. Especially not if that something proved to require serious effort. Right?Wrong. The left side of his mouth tilted up so slowly that a shudder made it through my entire body before he was done with the smirk. He blinked then ran his tongue along the inside of his bottom lip. The whole class had stilled and all eyes were on him and me now, gazes darting back and forth.With an audience to quote him later, he stated, "Game on, little Sue."

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, The Lightning Thief.

"I don't know what's currently going on in Anthony Mitchell's mind, but you're definitely taking up a lot of space in there."Life isn't easy for Samantha Summers, daughter of an army general. Moving from one continent to another every other year helps a teenage girl learn 4 different languages in record time. But it's also killing her social life. And when a totally hot guy in her new hometown gives her hell, because she's the cousin of a girl he once dated and who then spurned him, the prospect of the coming school year makes Sam want to call it quits.There's just one thing even more unnerving than all that put together. For some strange reason, she can't seem to stop daydreaming about this impossible guy.

Adapted into a sturdy board book format, a best-selling Sesame Street Little Golden Book classic follows a frantic Grover's efforts to prevent readers from turning the pages and finding the not-so-scary monster at the end of the book. TV tie-in.

The last thing Addy Davidson wants is to be on a reality TV show where the prize is a prom date with the President ' s son. She ' s focused on her schoolwork so she can get a scholarship to an Ivy League college, uncomfortable in the spotlight, never been on a date, and didn ' t even audition for it. But she got selected anyway. So she does her best to get eliminated on the very first show. Right before she realizes that the President ' s son is possibly the most attractive guy she has ever seen in person, surprisingly nice, and seemingly unimpressed by the 99 other girls who are throwing themselves at him. Addy ' s totally out of her comfort zone but that may be right where God can show her all that she was meant to be.

Bear likes going to the beach, but Chipmunk says "Not me!" in this Guided Reading Level D story, perfect for beginning readers. Summer is here, and Bear and Chipmunk are headed to the beach. Bear likes the sun, and the sand, and swimming. But Chipmunk doesn't. The sun is too bright, the waves are so big, and the big fish are scary when you're so small! Full of humor, Valeri Gorbachev's colorful illustrations add detail and help support understanding of the text--and they're sure to make young readers laugh, as Bear floats serenely past Chipmunk, who's stuck upside-down in a float. "Why did you come?" asks Bear finally, as Chipmunk tries to help collect their things. "I came to be with you," replies Chipmunk. Sometimes it doesn't matter what you're doing--as long as you're with your friends! Bear and Chipmunk enjoy winter weather, too, in Me Too!, another I Like to Read® book. The award-winning I Like to Read® series focuses on guided reading levels A through G, based upon Fountas and Pinnell standards. Acclaimed author-illustrators--including winners of Caldecott, Theodor Seuss Geisel, and Coretta Scott King honors--create original, high quality illustrations that support comprehension of simple text and are fun for kids to read with parents, teachers, or on their own! Suitable for late kindergarten readers, Level D books feature wider vocabulary, longer sentences, and greater variety in sentence structure than levels A, B, and C. When Level D is mastered, follow up with Level E.
