Site: The Missing Manual.

Mr. Thundermug is the inventive, entertaining, and—against all odds—poignant story of an animal who acquires the ability to eloquently speak human language. Using his own beautiful, eerie lithograph illustrations, Cornelius Medvei places us in a vivid world that is both familiar and alien. It's a world in which Mr. Thundermug and his family take up occupancy in an abandoned apartment building. On the roof of that building, Mr. Thundermug gazes at the heavens and thinks deep thoughts while his wife picks bugs off him and eats them. Understandably, he's somewhat confused by his complex existence as a fluent member of human society who has the essential nature of a more ancient species, but he assimilates as best he can. His worlds inevitably collide, and he is eventually brought to court for a petty crime and asked to defend himself in impossible ways. Simultaneously playful and foreboding, Mr. Thundermug announces the arrival of a bold and imaginative talent.

"A warm hearted story of the inevitable rollercoaster of romantic love... and the more important task of loving one's self" from #1 international bestselling author Cathy Kelly (Elin Hilderbrand). At the top of the Eiffel Tower, a young man proposes to his girlfriend. In that second, everything changes, not just for the happy couple, but for the family and friends awaiting their return in Ireland. “ Best European Fiction is an exhilarating read. ” —Time
The launch of Dalkey ’ s Best European Fiction series
was nothing short of phenomenal, with wide-ranging
coverage in international media such as Time magazine,
the New York Times, Wall Street Journal, Chicago
Tribune, Financial Times, and the Guardian; glowing
reviews and interviews in print and online magazines
such as the Believer, Bookslut, Paste, and the
Huffington Post; radio interviews with editor
Aleksandar Hemon on NPR stations in the US and BBC
Radio 3 and 4 in the UK; and a terrific response from
booksellers, who made Best European Fiction 2010 an
“ Indie Next ” pick and created table displays and special
promotions throughout the US and UK. For 2011,
Aleksandar Hemon is back as editor, along with a new
preface by Colum McCann, and with a whole new cast
of authors and stories, including work from countries
not included in Best European Fiction 2010.
