"Itinerant lawmen Virgil Cole and Everett Hitch return in a new installment of the series created by Robert B. Parker"--

THE NEW COLE AND HITCH NOVEL—"ADD [THEM] TO ALL THE GREAT CHARACTERS THAT ROBERT. B. PARKER

CREATED."—BookReporter.com A bank robbery in San Cristóbal is yielding its fair share of surprises for Territorial Marshal Virgil Cole and Deputy Everett Hitch. It also draws the duo into a mystery involving the bank president himself, the daughter of St. Louis's most prominent millionaire, and a notorious desperado who holds the key to unlocking a family secret that raises revenge to a whole new level.

Itinerant lawmen Virgil Cole and Everett Hitch return to confront an escaped criminal in the ninth entry--the grittiest yet--of this "New York Times"-bestselling series. HC: G.P. Putnam's Sons.

N ominous storm is rolling in over Appaloosa, carrying with it a band of night riders who show up at the Rio Blanco camp, where a three-hundred-foot bridge is under construction. When Appaloosa's sheriff and deputies suddenly vanish without a trace, territorial Marshals Virgil Cole and Everett Hitch saddle up to sort things out.

After hunting down the notorious desperado Alejandro Vasquez, Territorial Marshal Virgil Cole and Deputy Everett Hitch return him to San Cristóbal to stand trial. No sooner do they remand him into custody than a major bank robbery occurs and the lawmen find themselves tasked with another job

investigating the robbery of the Comstock Bank, recovering the loot, and bringing the criminals to justice. But when their primary suspect is found severely beaten outside a high class brothel and turns out to be using a false identity to escape a torrid past, it is Alejandro who becomes the key to their investigation. Cole and Hitch are soon on the trail of the money, two calculating brothers, and the daughter of St. Louis's most prominent millionaire in a Cain and Abel story that brings revenge to a whole new level.

Territorial Marshalls Virgil Cole and Everett Hitch escort a group of Mexican prisoners on a train trip to the border, only to find the journey complicated by the Governor of Texas and a vengeful outlaw from Virgil's past.

Managing an influx of carpetbaggers, gamblers, thieves and other disreputables in prosperous Appaloosa, Cole and Hitch are challenged by a flashy and womanizing casino owner who proves slippery when he is implicated in a series of murders.

After marshals Virgil Cole and Everett Hitch lay Appaloosa's sheriff to rest, an emerging handful of men eagerly vie for the deceased sheriff's vacant office. No sooner are various campaigns under way when gold is discovered in the foothills just outside of town, sending Appaloosa buzzing with excitement. With the strike, a slew of new problems develop for Cole and Hitch. Two shrewd mining factions and their hired gun hands square off over the claim. And on the eve of the new sheriff's appointment, a powerful snowstorm blankets Appaloosa. As the town braces for the severe weather, Cole and Hitch's problems multiply with the emergence of anonymous letters to the editor of the Appaloosa Star, leading the duo to a series of murders and the pursuit of a vicious serial killer.

Lawmen Virgil Cole and Everett Hitch must quell a brewing showdown in the latest installment in the New York Times-bestselling series. Marshals Virgil Cole and Everett Hitch haven't seen much trouble of late. Fact is, burgeoning Appaloosa and the territory had been without incident for months. But with recent reports of village raids, coupled with the arrival of a young widow from San Francisco, the lawmen are about to be put to the test. Rose McMaster, the feisty daughter of Virgil's half-brother, ushers in a whole new unsuspected brand of trouble. Just prior to the enactment of the Chinese Exclusion Act of 1882, Rose's husband Frank finds himself in hot water. He is a young and successful attorney representing a large Chinese conglomerate. But as his business troubles escalate, he's found dead--an apparent suicide. But just as Rose is moving on, she receives a visit from a Chinese associate and friend of her late husband who advises her to depart San Francisco immediately. No sooner does Rose step off the train in Appaloosa than trouble arises. A man from her journey is found dead, putting Virgil and Everett on a path to unravel his identity and curious connection to Rose. As trouble intensifies with the militia-like raiders that have a score to settle with Virgil, the two lawmen learn of Frank's involvement in a large-scale opium operation. And they soon deduce that he likely embezzled a large amount of money belonging to the Chinese, who now believe Rose holds the key to the loot's whereabouts...

Once, Appaloosa law was Virgil Cole and Everett Hitch. Now it's Amos Callico, a vindictive, power-hungry tin star with bigger aims--and he could use Cole and Hitch on his side. This time the paid guns aren't for hire, which makes Callico a very vengeful man. But threatening Cole and Hitch ignites something just as dangerous.
