Facing exile unless he can pass the mage trials, Kellen is willing to risk everything -- even his own life -- in search of a way to restore his magic. But when the enigmatic Ferius Parfax arrives in town, she challenges him to take a different path. One of the elusive Argosi, Ferius is a traveller who lives by her wits and the cards she carries. But when rumors of an empire-shattering war begin to stir, Kellen is asked to commit an unimaginable act to protect his queen. Inside enemy territory, he quickly realizes something is amiss. Someone is playing a dangerous game. And to discover their secrets, Kellen will have to challenge the greatest spellcaster who's ever lived. A brilliant story of adventure, wit and philosophy from the origins of the SPELLSLINGER series to enrapture devotees as well as newcomers alike. New to the ways of the Argosi, the tribe of wandering philosophers who seek to defeat evil by wit and guile, Ferius Parfax encounters a hideous plague - the Red Scream. Highly contagious, caught by the hearing of a deadly verse, it turns its victims into mindless monsters that destroy all human life they come into contact with. With the help of a deaf boy whom she has saved from two horrifying victims of the plague, she sets out to find the source of the Red Scream and overcome its terrifying power. Along the way she is joined by another Argosi, Rosie, who purports to be so much wiser and more adept than Ferius, but who turns out to have her own dark secrets. Peopled with extraordinary characters and gut-wrenching drama, Ferius's story teaches her hard lessons about the limits of the Argosi's ways. Readers will delight not just in this amazing masterclass in plot pacing and narrative drive, but in the seemingly bottomless well of wit, thought and wisdom that the story brings up and that has changed lives down the ages. It takes the reader on a journey like no other.

Ten year old Ferius Parfax has a simple plan: kill every last inhabitant of the spell-gifted nation that destroyed her people, starting with the man who murdered her parents. Killing mages is a difficult business, of course, so Ferius undertakes to study the ways of the Argosi: the loosely-knit tribe of tricksters known for getting the better of even the most powerful of spellcasters. But the Argosi have a price for their teachings, and by the time Ferius learns what it is, it may be too late. Perfect for fans of The Dark Tower, Firefly, Guardians of the Galaxy, Terry Pratchett, Ben Aaronovitch and Jim Butcher.

'High energy, highly unique, swashbuckling-cop-epic-noir story. Buy it. BUY IT NOW' Sam Sykes The Greatcoats are back - and this time it's personal. How do you kill a Saint? Falcio, Brasti and Kest are about to find out, as someone is doing just that, and they've started with a friend. The Dukes were already looking for ways to weasel out of their promise to put Aline on her father's throne - but with Saints turning up dead, and Church Inquistitors pushing for control - rumours are spreading that the Gods themselves oppose her ascension. The only way Falcio can stop the country turning into a vicious theocracy is to find and stop the Saint-killer - but his only clue is the iron mask encasing the head of the Saint of Mercy, which prevents her from speaking. And even if he can find the murderer, he will still have to face them in battle - and this may be a duel that no swordsman, no matter how skilled, can win.

"Kellen Argos is an outlaw spellslinger with a bad reputation, a long list of enemies, and zero luck. When he accidentally smears blood on the Daroman flag, he's dragged before the queen to be executed for his act of treason. Face-to-face with the young monarch, Kellen is offered a chance to save himself. If he can defeat the queen at a game of cards, he'll walk free... if not, his life is forfeit. But what begins as a game reveals a conspiracy against the queen's life. And now, Kellen is not only playing for his own freedom, but also for the future of an empire."--Amazon.com.

After years of struggle and sacrifice, Falcio val Mond, First Cantor of the Greatcoats, is on the brink of fulfilling his dead king's dream: Aline, the king's daughter, is about to take the throne and restore the rule of law once and for all. But for the Greatcoats, nothing is ever that simple. In the neighboring country of Avars, an enigmatic new warlord is uniting the barbarian armies that have long plagued Tristia's borders--and even worse, he is rumored to have a new ally: Trin, who's twice tried to kill Aline to claim the throne of Tristia for herself. With the armies of Avars at her back, led by a bloodthirsty warrior, she'll be unstoppable. Falcio, Kest, and Brasti race north to stop her, but in those cold and treacherous climes they discover something altogether different, and far more dangerous: a new player is planning to take the throne of Tristia, and with a sense of dread the three friends realize that the Greatcoats, for all their skill, may not be able to stop him. As the nobles of Tristia and even the Greatcoats themselves fight over who should rule, the Warlord of Avars threatens to invade. With so many powerful contenders vying for power, it will fall to Falcio to render the one verdict he cannot bring himself to utter, much less enforce. Should he help crown the young woman he vowed to put on the throne, or uphold the laws he swore to serve?
