holding all the cards. Burnout is a series but each novel can stand alone on its own. You do not have to read Tex to enjoy the others. It is the only novel in the series with BDSM. If you don't like BDSM skip this one. Fair warning: the kink factor is extremely high.

Chris "Shooter" Sullivan has returned to his home town of Rapid City, South Dakota to pick up the pieces of his life shattered by a roadside bomb in Iraq. He only wants to focus on holding what's left of his old unit together, running his garage where he builds custom bikes and cars, and pretending that his murdered father's motorcycle gang doesn't exist. Hayley Turner is a young woman with her own traumatic past. Fresh off the bus from Nowhere, USA, all she wants is a job and a place to live, until it's time for her to leave again. She doesn't want to make friends, or enemies, least of all the ex-Army Ranger who obviously doesn't like her. She bristles under his watchful eye. He's even got her convinced she's bad news. But circumstances force two people who don't need anyone to need each other more and more. The more Chris gets to know Hayley, the harder it is to stay detached. And the more Hayley gets to know Chris, the more she realizes she's been alone for so long she might never recover from it.

The rules are designed to keep them apart. Will they be willing to break them for a chance at true love? \*\*includes Slick novella

Jack "Preacher" Prior is at a crossroads -- literally. Left for dead in the Badlands, he's managed to survive. He's stolen a truck, but where can he go? Body broken, mind reeling from betrayal from his own MC brothers, he knows he won't last a day back in Rapid City in his current condition. Two roads stretch out in front of him. One leads to the city and one deep into the black hills where no one knows him as the former President of the Badlands Buzzards. Revenge is not a question; it's an absolute. Preacher will get his due soon enough or die trying. Erin Walker is at a crossroads of her own. Dealt a bad hand by being the daughter of Buck Walker, ex-Rodeo Champ, she's made her own way in the world without his help. She owns Thunder Ridge Ranch outright, and she's carved out a piece of paradise for herself with her own two hands. She's not giving it up without a fight, but she's alone in the world with no one to trust. In Erin, Preacher finds

something that doesn't exist in his own world: a smart, fierce independent woman who sets his blood on fire. For Erin, the mysterious man who threatens her life might very well be the only one who can save it. Can Preacher put aside his desire for revenge against his old MC and accept what's in front of him: a woman who needs him and a future worth having? Erin knows in her heart that Preacher is a bad, dangerous man, but can she trust him anyway? Not every choice is theirs to make, though, and in Rapid City the past never stays buried.

Caleb Barnes is on a mission. He's retired from the Army, but he's waging his own private war now. And though the men of Burnout are his former brothers-in-arms, Caleb fights his battles alone. Caleb was tainted from the moment he was born. He's always been alone and he'll always be alone. The world has no place for a man like him. Isabelle Boucher is on a mission of her own. She doesn't want to go it alone, but there's no other choice these days. She won't give up or give in, not until she reaches the end of the line. Caleb's convinced he's no good for anyone, especially not women. There's nothing he can offer a woman but pain and devastation. But Isabelle needs help and to refuse goes against everything Caleb stands for. Can two people alone for different reasons come together for a common cause? And once they do, will they ever want to be apart again?

Jimmy "Easy" Turnbull lost more than just his lower right leg during his time in Iraq. The confident man whose good looks charmed countless women into bed has been gone for over three years. In his place is a surly and defensive wounded warrior plagued by self-doubt and anger. Daisy Cutter doesn't give a damn what people think, not about her tattoos, her piercings or anything else. Other people's opinions have never bothered her, not even the hot ex-Army Ranger who occasionally takes her to bed (when they make it that far) but can't seem to remember her name afterward. Daisy wants a new life, and she's determined to get it. Easy wants his old life back, but he knows that can't happen now. Eventually Daisy's past catches up to her and her dreams of making a home in Rapid City are threatened.
