### The Fruit Tree

It is the Paradise where everything lives harmoniously and knows not of death or suffering. God intended it to be this way and therefore forbid Adam and Eve from eating of the Tree that stood in the centre of Eden. The forbidden fruit hung from this tree – and held the knowledge of death, suffering, good and evil.

A fruit tree is a tree which bears fruit that is consumed or used by humans and some animals — all trees that are flowering plants produce fruit, which are the ripened ovaries of flowers containing one or more seeds. In horticultural usage, the term "fruit tree" is limited to those that provide fruit for human food. Types of fruits are described and defined elsewhere (see Fruit), but would ...

The Tree and its Fruits. The Parable of the Tree and its Fruit (also called the Trees and their Fruit) is a parable of Jesus which appears in two similar passages in the New Testament, in the Sermon on the Mount in Matthew's Gospel and the Sermon on the Plain in Luke's Gospel. "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.

The destiny for which the fruit tree was conceived was to bear fruit for all the people and animals. In the polluted open field only a small portion of this fruit would have come forth. By bringing the tree into the greenhouse the Farmer had groomed it to bear much fruit. Now it was outgrowing the greenhouse.

Fruit tree video channel. Trees are wonderful companions. Trees have their own story to tell. All we need to do is to listen to them through observation by means of regular visits. It is a fallacy that trees look after themselves. In particular, the quality of the first five years of a fruit tree 's life is instrumental to its capability to produce fruit on a regular basis.
