A mustard tree doesn't actually grow from a mustard seed but from the much larger fruit of a mustard tree. Mustard seeds grow into mustard bushes (which is confusing enough, considering the Bible passage says it grows into a tree). The book adding the part about the bush will only confuse kids.

Pursue a life led by faith rather than fear. Once you read "Faith of a Mustard Seed", you will have a better understanding of how faith can change your outlook on every aspect of your life. Too many people are making life changing decisions due to fear rather than faith. Allow faith to guide your steps in life instead of fear. Start with a little faith and watch how it strengthens within your life. Paul Karanick and his wife, Christina, experienced what it means to have the faith of a mustard seed. The term is used by Christ to explain the power that one can have if we just have a little faith. Paul looks back on his life and ministry to reveal how God strengthens our faith and forms us into an effective part of the body of Christ. Recalling the steps of how God led him, his family and ministry, Paul highlights how God equips the ones He calls by: - Calling all people to have faith - Confirming that God is calling - Walking through fear - Building a stronger faith - Infecting others with faith Paul uses his own life as an example of the faith process. These illustrations will prepare believers for the typical steps involved in building a stronger faith relationship with Christ. Paul openly admits that he was not qualified to take on the task that God had placed upon him, but God would soon reveal to Paul that no one is truly qualified without the power of Christ. God reshaped Paul and led him into a ministry that continuously depended upon faith. A true visionary and gifted in faith, he began to trust less in his own abilities and more upon God's abilities. Knowing that without faith it is impossible to please God, Paul teaches of using faith to get as close to God as you can. Paul's unshakable faith became contagious within his ministry as life's worries and fears were lessened due to the faith that God provides.

In the beginning, God's garden is beautiful and peaceful, but it doesn't stay that way. Everyone has something to say! Rain brags that it's the most refreshing. Birds boast that they're the most splendid. Earthworms bluster about their busyness. Then Children come along, claiming to be the best of all. And it's only fair that the best is loved most, isn't it? A Very Big Problem is a Junior Library Guild Selection.

Children often begin their faith journey with basic but big questions like How does God speak to me? This charming picture book from the best-selling author of Whisper and his daughter provides a fun and clever answer God Speaks in Whispers helps even the youngest readers look for God's voice in the universe: in creation, as he speaks through his followers, and in the Bible as he speaks through his Word. With a charming rhyme pattern and vivid pictures, Mark and Summer Batterson invite little ones to imagine how God might be showing them love every day, by leaning in close to hear God's whisper.

Describes how people have given God different names according to their experience of Him, including "Source of Life," "Maker of Peace," "Mother," "Father," and "Friend," and thought that their own name for Him was the only true one, and suggests that allthese names are part of the truth

NATIONAL BESTSELLER WINNER OF THE BOOKER PRIZE "A must-read about modern Britain and womanhood . . . An impressive, fierce novel about the lives of black British families, their struggles, pains, laughter, longings and loves . . . Her style is passionate, razor-sharp, brimming with energy and humor. There is never a single moment of dullness in this book and the pace does not allow you to turn away from its momentum."—Booker Prize Judges Bernardine Evaristo is the winner of the 2019 Booker Prize and the first black woman to receive this highest literary honor in the English language. Girl, Woman, Other is a magnificent portrayal of the intersections of identity and a moving and hopeful story of an interconnected group of Black British women that paints a vivid portrait of the state of contemporary Britain and looks back to the legacy of Britain's colonial history in Africa and the Caribbean. The twelve central characters of this multi-voiced novel lead vastly different lives: Amma is a newly acclaimed playwright whose work often explores her Black lesbian identity; her old friend Shirley is a teacher, jaded after decades of work in London's funding-deprived schools; Carole, one of Shirley's former students, is a successful investment banker; Carole's mother Bummi works as a cleaner and worries about her daughter's lack of rootedness despite her obvious achievements. From a nonbinary social media influencer to a 93-year-old woman living on a farm in Northern England, these unforgettable characters also intersect in shared aspects of their identities, from age to race to sexuality to class. Sparklingly witty and filled with emotion, centering voices we often see othered, and written in an innovative fast-moving form that borrows technique from poetry, Girl, Woman, Other is a polyphonic and richly textured social novel that shows a side of Britain we rarely see, one that reminds us of all that connects us to our neighbors, even in times when we are encouraged to be split apart.
