Harry Flashman: the unrepentant bully of Tom Brown's schooldays, now with a Victoria Cross, has three main talents -- horsemanship, facility with foreign languages and fornication. A reluctant military hero, Flashman plays a key part in most of the defining military campaigns of the 19th century, despite trying his utmost to escape them all. With the mighty Sikh Khalsa, the finest army ever seen in Asia, poised to invade India and sweep Britannia's ill-guarded empire into the sea, every able-bodied man was needed to defend the frontier - and one at least had his answer ready when the Call of Duty came: "I'll swim in blood first!" Alas, though, for poor Flashman, there was no avoiding the terrors of secret service in the debauched and intrigue-ridden Court of the Punjab, the attentions of its beautiful nymphomaniac Maharani (not that he minded that, really), the horrors of its torture chambers or the baleful influence of the Mountain of Light.

Critically acclaimed author Indu Sundaresan picks up where she left off in <i>The Twentieth Wife</i> and <i>The Feast of Roses</i>, returning to seventeenth-century India as two princesses struggle for supremacy of their father's kingdom. Trapped in the shadow of the magnificent tomb their grief-stricken father is building for his beloved deceased wife, the emperor's daughters compete for everything: control over the imperial harem, their father's affection, and the future of their country. They are forbidden to marry and instead choose to back different brothers in the fight for ultimate power over the throne. But only one of the sisters will succeed. With an enthusiasm for history and a flair for rich detail, Indu Sundaresan brings readers deep into the complicated lives of Indian women of the time period and highlights the profound history of one of the most celebrated works of architecture in the world, the Taj Mahal.

The story of Mehrunnisa, the daughter of servants who became the an empresses of the Mughal empire.
--

The love story of Emperor Jahangir and Mehrunnisa, begun in the critically praised debut novel <i>The Twentieth Wife</i>, continues in Indu Sundaresan's <i>The Feast of Roses</i>. This lush new novel tells the story behind one of the great tributes to romantic love and one of the seven wonders of the world -- the Taj Mahal. Mehrunnisa, better known as Empress Nur Jahan, comes into Jahangir's harem as his twentieth and last wife. Almost from the beginning of her royal life she fits none of the established norms of womanhood in seventeenth-century India. Mehrunnisa is the first woman Jahangir marries for love, at the "old" age of thirty-four. He loves her so deeply that he eventually transfers his powers of sovereignty to her. Power and wealth do not come easily to Mehrunnisa -- she has to fight for them. She has a formidable rival in the imperial harem, Empress Jagat Gosini, who has schemed and plotted against Mehrunnisa from early on. Mehrunnisa's problems do not just lie within the harem walls, but at court, too, as she battles powerful ministers for supremacy. These ministers, who have long had Emperor Jahangir's confidence and trust, consider Mehrunnisa a mere woman who cannot have a voice in the outside world. Mehrunnisa combats all of this by forming a junta of sorts with three men she can rely on -- her father, her brother, and Jahangir's son Prince Khurram. She demonstrates great strength of character and cunning to get what she wants, sometimes at a cost of personal sorrow when she almost loses her daughter's love. But she never loses the love of the man who bestows this power upon her -- Emperor Jahangir. The Feast of Roses is a tale of this power and love, the story of power behind a veil.

Arriving in the west India state of Rudrakot where he hopes to find his idealistic brother, who went missing after joining the local struggle for independence from the British, wounded World War II army captain Sam Hawthorne finds his search complicated by his love for the daughter of a political agent. Internationally bestselling author Indu Sundaresan's "Taj Trilogy," now available as an ebook boxed set, features three of her most critically acclaimed novels transporting readers back in time to India's renowned Mughal Empire. THE TWENTIETH WIFE: An enchanting historical epic of grand passion and adventure, this debut novel tells the captivating story of one of India's most controversial empresses -- a woman whose brilliance and determination trumped myriad obstacles, and whose love shaped the course of the Mughal Empire. Skillfully blending the textures of historical reality with the rich and sensual imaginings of a timeless fairy tale, <i>The Twentieth Wife</i> sweeps readers up in Mehrunnisa's embattled love with Prince Salim, and in the bedazzling destiny of a woman -- a legend in her own time -- who was all but lost to history until now. THE FEAST OF ROSES: The love story of Emperor Jahangir and Mehrunnisa, begun in the critically praised debut novel <i>The Twentieth Wife</i>, continues in Indu Sundaresan's lush second novel, <i>The Feast of Roses</i>. Here, Mehrunnisa comes into Jahangir's harem as his twentieth and last wife. This time Jahangir has married for love, and members of his court are worried that Mehrunnisa could exert control over their futures. Their concerns are well founded. Mehrunnisa soon becomes the most powerful woman in the Mughal Empire in spite of a formidable rival in the imperial harem who has schemed and plotted against her from the start. She rules from behind the veil, securing her status by forming a junta of sorts with her father, brother, and stepson -- and risking it all, even her daughter, to get what she wants. But she never loses the love of the man who bestows this power upon her. SHADOW PRINCESS: Critically acclaimed author Indu Sundaresan picks up where she left off in <i>The Twentieth Wife</i> and <i>The Feast of Roses</i>, returning to seventeenth-century India as two princesses struggle for supremacy of their father's kingdom. Trapped in the shadow of the magnificent tomb their grief-stricken father is building for his beloved deceased wife, the emperor's daughters compete for everything: control over the imperial harem, their father's affection, and the future of their country.
