William Ury (author of "Getting to Yes") describes how that happens and how we can help make that happen.

The Third Side: Why We Fight and How We Can Stop by ...
It takes two sides to fight, but a third to stop. In The Third Side (originally released as Getting To Peace), William Ury presents simple, effective strategies for stopping fights through a powerful alternative—the third side. Using lessons learned from all types of conflict, including family struggles, labor strikes, and civil wars, William presents bold strategies and techniques for stopping fights.

William Ury | The Third Side: Why We Fight and How We Can Stop
While we generally conceive of disputes as having two antagonistic parties, there is, in almost every instance, a "third side" — the community, business, family, or other social context within which the conflict unfolds.

Third Side (The): Why We Fight and How We Can Stop - PON ...
The first section responds to the assumption that "there is no other way" by providing an alternative to violence which he calls "the third side". According to Ury, the third side is "...people from the community, using a certain kind of power—the power of peers, from a certain perspective—of common ground, supporting a certain process—of dialog and nonviolence, and aiming for a certain product—a "triple win." He defines this "triple win" as "...a resolution that satisfies the legitimate ...

The Third Side Why We Fight And How We Can Stop [EBOOK]
The third side possesses the power of peer pressure and the force of public opinion. It is people power. It uses the power of persuasion. It influences the parties primarily through an appeal to their interests and to community norms. In every conflict, there usually exists not just one possible third party but a multitude.

The Third Side | What is the Third Side?
The Third Side is the community — us — in action protecting our most precious interests in safety and well-being. It suggests ten practical roles any of us can play on a daily basis to stop destructive fighting in our families, at work, in our schools, and in the world. Each of our individual actions is like a single spider web, fragile perhaps but, when united with others, capable of halting the lion of war.

The Third Side | thirdside.co.uk
The third side is an approach to conflict resolution developed by the Harvard Negotiation Project. This project has a mission to really improve the practice and the theory of conflict resolution as well as negotiation by working on real-world conflicts. The third side is an approach that looks at the perspective and interest of those affected by conflict in the larger community as well as the parties themselves.

According to William Ury, it takes two sides to fight, but a third to stop. Distilling the lessons of two decades of experience in family struggles, labor strikes, and wars, he presents a bold new strategy for stopping fights. He also describes ten practical roles—as managers, teachers, parents, and citizens—that each of us can play every day to prevent destructive conflict. Fighting isn't an inevitable part of human nature, Ury explains, drawing on his training as an anthropologist and his work among primitive tribes and modern corporations. We have a powerful alternative—the Third Side—which can transform our daily battles into creative conflict and cooperation at home, at work, and in the world.

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

The third side of a coin is essentially the one that connects the other two sides: the head and the tail. This analogy is used throughout the book to emphasize the importance of (mastery learning): in any profession, such as medicine, law, or engineering. Mastery learning is the essential outcome of uniting the two flat faces of a coin with the help of the third circular side. In any profession, the two flat faces of the coin are theory and practice, and the third side is the testing. The author gives examples from his more than fifty years of experience in engineering practice and engineering teaching to prove that mastery learning is essential. In the very rapidly changing pace of technology today, any curriculum that ignores mastery learning is bound to produce obsolete engineers.

We all want to get to yes, but what happens when the other person keeps saying no? How can you negotiate successfully with a stubborn boss, an irate customer, or a deceitful coworker? In Getting Past No, William Ury of Harvard Law School's Program on Negotiation offers a proven breakthrough strategy for turning adversaries into negotiating partners. You'll learn how to: Stay in control under pressure Defuse anger and hostility Find out what the other side really wants Counter dirty tricks Use power to bring the other side back to the table Reach agreements that satisfies both sides' needs Getting Past No is the state-of-the-art book on negotiation for the twenty-first century. It will help you deal with tough times, tough people, and tough negotiations. You don't have to get mad or get even. Instead, you can get what you want!

The forest animals have a problem—the watering hole isn't big enough. Emo, a bear cub, and his friend, a bird named "Chickie," know there must be a way to stop the fighting. Together with the forest animals, Emo and Chickie explore ways to work things out in a positive, constructive way. Skills that everyone can learn.

The international community invests billions annually in thousands of projects designed to overcome poverty, stop violence, spread human rights, fight terrorism and combat global warming. The hope is that these separate projects will 'add up' to lasting societal change in places like Afghanistan. In reality, these initiatives are not adding up to sustainable peace. Making Peace Last offers ways of improving the productivity of peacebuilding. This book defines the theory, analysis and practice needed to create peacebuilding approaches that are as dynamic and adaptive as the societies they are trying to affect. The book is based on a combination of field experience and research into peacebuilding and conflict resolution. This book can also be used as a textbook in courses on peace-building, security and development. Making Peace Last is a comprehensive approach to finding sustainable solutions to the world's most pressing social problems.

Using new archaeological and anthropological evidence, the author explains how to resolve conflicts in the home, work, and the world by identifying the "Third Side" of seemingly blackandwhite arguments. 25,000 first printing. Tour.

This is the perfect time to go back to the basics, unlearn outdated thinking, and relearn new norms. Especially, we need to sharpen our ability to see things from new perspectives. This book will do that. We're not looking from another perspective anymore. We're looking back on how we think about thinking. How we view and learn things. "Rethinking about Thinking"

A noted conflict-resolution expert explores dignity, its role in human conflict, and its power to improve relationships Drawing on her extensive experience in international conflict resolution and on insights from evolutionary biology, psychology, and neuroscience, Donna Hicks explains what the elements of dignity are, how to recognize dignity violations, how to respond when we are not treated with dignity, how dignity can restore a broken relationship, why leaders must understand the concept of dignity, and more. By choosing dignity as a way of life, Hicks shows, we open the way to greater peace within ourselves and to a safer and more humane world for all. For the Tenth Anniversary Edition of Dignity, Hicks has written a new preface that reflects on her experience helping communities and individuals understand the power of dignity and how it can lead to a more peaceful world. Anyone who understands the importance of personal feelings and their fuel for conflict should consider Dignity as a powerful advisory and motivational guide. Midwest Book Review Winner of the 2012 Educator's Award, given by the Delta Kappa Gamma Society International.
